Cruiseco Adventurer's accommodation is spacious, private, cossetting and complemented by its bar, restaurant, lounge, sundeck, library, gym, and pool

Each cabin offers an ensuite, individual climate control and comfy sitting area. However, your favourite feature could be the private balcony, it gives you a front row seat of an irresistible panorama.

Pleasingly, all cabins are located on the outside of the ship and floor to ceiling 'french' doors ensure you'll miss none of the sights.

Your amenities include a robe, slippers, quality toiletries and a wardrobe. However, there is even more onboard to entice you out

of your haven, including a menu of Asian and Western dishes expertly prepared by our executive chef (perhaps that's why his cuisine demonstrations are such popular onboard events).

And remember to pack your bathers because nothing compares to the view from our pool and the service from our crew.

And when it's time to reflect on the day's excitement, our bar is an air-conditioned oasis, ready to serve your favourite nightcap.

Main Deck cabins feature a balcony, floor to ceiling views, climate control, television, in-room seating, vanity, daily housekeeping, a safe and bottled water.

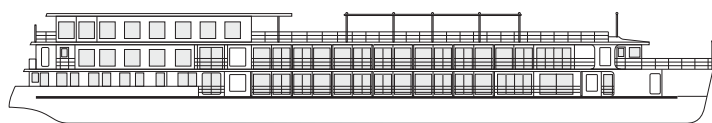

Upper Deck Cabins share the same quality appointments as those on the Main Deck but enjoy an elevated view. Additionally, the Deluxe Suites offer a separate lounge area.

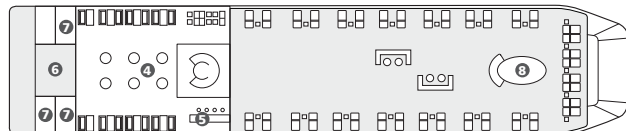

Cosy bathrooms are self-contained, with robes, slippers, ample luxury toiletries, quality amenities, daily towel service and some feature a bathtub.
