RESERVATIONS AND PAYMENTS

Once you have decided on your holiday, simply ask your Cruiseeco Travel Agent to book your holiday with us. On confirmation of your booking, a written confirmation will be sent to your Cruiseeco Travel Agent. An option will be given for 3-7 days and before the option expires it will be necessary that a deposit is paid. The deposit amount required to secure your holiday may depend on the length of your cruise. A minimum deposit of \$1200 per person will apply. Your Cruiseeco Travel Agent will advise you at the time of booking, should any additional deposit amount be required and when payment is due. This deposit secures your cruise berth and hotel room.

Airfares may have to be paid in full prior to the balance of your cruise. Final payment for the cruise component is due 100 days prior to departure from Australia. If your booking is made within 100 days of departure from Australia, the full payment will be due immediately. Failure to pay the deposit by the option due date may result in the cancellation of your booking.

Any special meal requirements will be made on a "request" basis only and cannot be guaranteed. Please advise your Cruiseeco Travel Agent of your requirements at time of booking.

WHAT'S NOT INCLUDED IN YOUR HOLIDAY PRICE

Gratuities (hotel service charges*), optional tours, transfer packages, additional nights of accommodation made necessary due to your flight schedules, local city taxes, passport and visa fees, insurances of all kinds, laundry, phone calls, beverages (except as specifically mentioned in each itinerary), items of a personal nature, or anything not previously stated in your itinerary. Optional Tours, transfer package and additional nights of accommodation are available at an additional cost.

The price does not cover costs and expenses, including the return to your home, if you leave the cruise of your own volition, or due to illness, or as a consequence of official action by the government.

Gratuities for the cruise are not included and are payable on board.

*Hotel Service Charges: a daily charge is automatically added to each guest's shipboard account. At the time of printing, the hotel service charge is US\$13,50 per guest per day for inside, oceanview or balcony staterooms, US\$14,50 per guest, per day for mini-suites or US\$15,50 per guest, per day for suites. If the service exceeds or fails to meet your expectations, you are free to adjust this amount at the end of the cruise. The hotel service charge is paid entirely to Princess Cruises crew members and represents an important part of their compensation. A 15% service charge is automatically added to bar charges and dining room wine purchases.

SIGHTSEEING TOURS & TRANSFERS (OPTIONAL):

Before and/or after your cruise, sightseeing tours and transfers can be added to your holiday package at an additional cost, subject to availability at the time of booking. Please contact your Cruiseeco Travel Agent for specific details and inclusions of the optional services offered for each cruise itinerary, respectively.
