# Antarctica21

Fly & Sail Expeditions

## THE ANTARCTICA21 EXPERIENCE

As a niche specialist, they dedicate 100 percent of their time and resources to creating your Antarctic adventure. They pioneered air-cruise expeditions to Antarctica. That remains their focus. As a specialist, they understand intimately how to coordinate air and sea operations in the changeable Antarctic environment. They have completed over 200 fly and cruise departures, far more than any other company. Antarctica21 bring all that experience to your journey. Antarctica21 was founded in Punta Arenas, a traditional gateway for the first Antarctic explorers. As local actors in this remote region, they have built a solid infrastructure and an extensive network of key relationships to support your expedition.

## ANTARCTICA21 CRUISES ARE BEST FOR:

Their small expedition vessels are more like private yachts, offering direct access to areas along the Antarctic shore that larger ships simply can't reach. And because they have fewer guests, you get on and off faster, so your time ashore is focused where it should be: savouring every moment of a travel experience unlike any other.

## ATMOSPHERE AND EXPERIENCE ONBOARD:

On every journey, the Antarctica21 team includes at least 12 expert polar guides and their number one priority is ensuring you have an unforgettable experience. The team knows the region's unique geography, natural history, wildlife and ecology, and loves sharing their expertise with you. Their

international team of veteran Antarctic pilots, experienced sea captains, expert polar guides, academics, and seasoned travel professionals create the Antarctica21 experience. With passion, creativity and dedicated teamwork, each expedition is handcrafted, unique and personal.

## CLIENTELE:

### THE CRUISE & MARITIME VOYAGES EXPERIENCE

Cruise & Maritime Voyages specialise in providing cruising holidays aboard small to mid-sized ships with a traditional British cruise experience. Their vessels offer a leisurely and friendly 'home away from home' style of cruising combining attentive and friendly service with stylish entertainment, delicious cuisine, daytime activities, and guest speaker and craft programmes on most sailings.

### CRUISE & MARITIME VOYAGES ARE BEST FOR:

Guests looking for a relaxed, traditional British style cruise experience. Amy Johnson, Columbus, Magellan, Marco Polo and Astoria operate as 'child free' ships, which means that you can enjoy the pleasures of cruising in the company of like-minded adult passengers only. Columbus does, however, operate a selection of multi-generational cruises during the English summer school holidays, where no age restrictions are in place. Vasco da Gama also offers multi-generational voyages during the Australian summer, and while she doesn't offer any dedicated kids facilities onboard, the space and choice of amenities makes her perfect for the whole family, grandparents, adult children and kids, to enjoy quality time together.

### ATMOSPHERE AND EXPERIENCE ONBOARD:

Whether enjoying a short break close to home or embarking on a grand voyage, Cruise & Maritime Voyages' classically-styled ships offer all the comforts of home and more. Choose from up to six lounges,

bars and dining venues onboard, unwind poolside or enjoy some of the best cabaret performances at sea. There are no ziplines, waterslides or rock-climbing walls, just friendly, attentive service, a relaxed country-club ambiance and exceptional value for money.

### CLIENTELE:

Sailing from a host of ports around the UK, Ireland and Europe, Cruise & Maritime Voyages carries a predominantly British clientele 55+ years, with a growing presence of Australian and New Zealand guests. Like most cruiselines, Cruise & Maritime Voyages caters well to couples but has also received accolades for their solo traveller options as well, most recently by Cruise Critic Australia. Locally on Vasco da Gama, their clientele are generally couples and solo travellers from Australia and New Zealand with a few families onboard as well.

### AT A GLANCE:

**Ship size:** Small and Mid-sized

**Class:** Traditional Mainstream

**Highlights:** Captain's Cocktail Parties and Formal Gala Nights (applicable to cruises of 6 nights or more), an award-winning solo traveller programme including a welcome cocktail party to meet like-minded travellers, and a host of guest speakers and daytime activities.

**Food:** Menus present a blend of traditional European cuisine and international specialities, from Asian fusion, Indian gastronomy and classic American steaks, that will make your mouth water.

Crystal Cruises offers a relaxed but sophisticated ambience. Staterooms are elegant, and the Crystal Penthouses are immaculate, with furnishings that would not be out of place in a top city penthouse – complete with butler service. ### CUNARD CRUISES ARE BEST FOR:

Guests seeking a traditional British ocean liner experience, preferring educational pursuits on board rather than Vegas-style entertainment. The attentive crew take great pride in making your stay on board unforgettable. From the very first greeting when you embark, to the way your

stateroom steward greets you by name, the service is warm and sincere. It isn't stuffy. It isn't hurried. It's always friendly, but never overfamiliar. This is the famous Cunard White Star Service.

### CLIENTELE:

## THE HURTIGRUTEN EXPERIENCE

Building on an explorer heritage dating back to 1893, Hurtigruten's explorations are grounded in the likings of people who value learning and personal growth over luxury. Offering unique experiences and impart knowledge in a way that leaves the smallest environmental footprint possible, Hurtigruten's diverse fleet of nimble, intimately scaled expedition ships enables passengers to enjoy unforgettable nature-based experiences at remote corners of the world. The Norwegian coastal voyage is one of the most scenic in the world. In addition, selected winter voyages in Norway offer a Northern Lights Promise.

## HURTIGRUTEN CRUISES ARE BEST FOR:

Adventurous affluent travellers who enjoy exploring nature and cultural immersions.

## ATMOSPHERE AND EXPERIENCE ONBOARD:

Most Hurtigruten ships have a dedicated expedition team aboard all sailings. Enthusiastic and knowledgeable, these experts lead excursions and give onboard lectures on everything from Viking history to Arctic wildlife. You might also hear them over the PA system offering information about the port you are sailing into or about a whale just spotted off the bow. Onboard dress is casual at all times, though many passengers take it up a notch for dinner; think dress pants and a nice top. You can leave your suit or formal gown at home.

## CLIENTELE:

A cross section of society. Norwegians use the local coastal service as a means of transport and often only stay on for a couple of ports. Other travellers treat the Bergen-Kirkenes-Bergen round trip as a regular cruise and come from all over the world, but particularly the UK and Germany. On the expedition ships, there will be multiple nationalities, including more people from North America. You will find some families onboard the Norwegian voyages and expeditions, which tend to attract older passengers.

## AT A GLANCE:

**Ship size:** Small-to-medium-sized

**Class:** Niche & Expedition

**Highlights:** Land-based shore tours are most popular among passengers. With several port calls in one day on Hurtigruten's coastal voyages, you will have plenty of opportunities to see Norway's vast wilderness. On Northern Lights sailings, staying up late to try and see the lights (or requesting a wake-up call) is a big highlight.

**Food:** There are several restaurants to choose from offering cuisine that reflects Hurtigruten's Norwegian heritage. The line's "Norway's Coastal Kitchen" initiative embraces sourcing locally produced ingredients and sustainable seafood. If you love fish, you'll be in heaven. For everyone else, there are plenty of alternatives, including meat, pasta, and a small salad bar.

### THE SEA CLOUD CRUISES EXPERIENCE

With Sea Cloud Cruises, sailing adventure meets luxury yacht cruising. Embark on a luxurious and refined cruise onboard a traditionally rigged windjammer, catering to well-heeled, sophisticated guests who enjoy smaller, less touristy ports in Europe and the Caribbean.

### SEA CLOUD CRUISES ARE BEST FOR:

Sophisticated travellers who love romantic tall ships and private yacht experiences and appreciate exceptional luxury and unusual ports of call. The ships are being sailed in the traditional manner with the seamen hoisting the sails manually. With an almost 1:1 ratio of crew to guests, the ships offer attentive service, making guests feel as they are on a private yacht.

### ATMOSPHERE AND EXPERIENCE ONBOARD:

Exclusive, relaxed, informal. A Sea Cloud sailing is a comfortable, sophisticated experience marked by an outdoor atmosphere and friendly camaraderie among the passengers. Shore excursions, including water sports and snorkelling, and casual relaxation are the top activities onboard, though cruisers do attend the occasional lecture or evening entertainment offering. Daytime sailing is also popular, and cruisers are drawn on deck to see the sails raised and lowered and enjoy the dramatic approach to port. The main attraction during the day is savouring the classic maritime atmosphere and experiencing the proud sailing tradition. Weather permitting the bar is open on deck in the evenings.

The small size of the ships allows us to visit small harbours and even islands that are out of reach even for medium size vessels.

### CLIENTELE:

Most passengers are affluent, well-educated and European, but you'll find a small mix of Americans, Canadians and Australians, too. The median age is 40, and while couples and groups of friends dominate, you will find families onboard during school holidays and parents with their adult children all year long.

### AT A GLANCE:

**Ship size:** Small

**Class:** Luxury Niche

**Highlights:** Sea Cloud Cruises operate hand-steered, tall-ship yachts, offering distinctive itineraries and warm-weather cruising with an emphasis on water-based fun.

**Food:** Enjoy first-class cuisine with daily servings of regional specialties, exquisite wines sourced from the best vineyards and finest cellars, attentive service and a relaxed dining experience. While a lunchtime buffet awaits you each day, sometimes against the more casual backdrop of the lido deck if the weather is nice, the evening meal is served in a more elegant setting with a four-course menu. The icing of the cake is a five-course gala dinner. As with any private yacht, you can simply sit wherever and with whomever you choose.

### THE SEADREAM YACHT CLUB EXPERIENCE

Travelling to some of the most intimate ports and destinations around the Mediterranean and Caribbean, SeaDream's cruising style is yacht-like with upscale cuisine and amenities. "It's yachting not cruising" is their mantra. Sailing on SeaDream is very much like being invited on a friend's large yacht where you can create the experience you want.

### SEADREAM YACHT CLUB CRUISES ARE BEST FOR:

Sophisticated travellers and couples who enjoy a flexible yacht-like luxury cruising style and a more laid-back experience, preferring free time over a highly structured schedule. Yachting can be a 'sexier' concept to people who don't think conventional cruising is for them. Groups of families and friends are taken good care of, and private charters are the ultimate for special celebrations and events.

### ATMOSPHERE AND EXPERIENCE ONBOARD:

SeaDream maintains a yacht casual dress code. The yachts are usually in port till late each day and guests are free to do their own thing on land. For active passengers, the marina is quite popular with its selection of sailboats, waverunners, snorkelling gear, stand-up paddleboards and jet skis. All passengers turn out at the weekly beachside champagne & caviar splash party in the Caribbean, and to the concerts and movies screened on deck at night.

### CLIENTELE:

SeaDream passengers tend to be well travelled, affluent, unpretentious and active, primarily coming from North America, Scandinavia, UK and Europe, with most falling in the 40 to 65 age range. 10% are from Australia and New Zealand. Though families with children older than 1 are welcome onboard, there is no family programming and the overall SeaDream experience is decidedly adult.

### AT A GLANCE:

**Ship Size:** Small

**Class:** Niche

**Highlights:** Experience true yacht-like cruising, outstanding service and cuisine and super-cosy, well-appointed staterooms. On the spacious decks, guests can nap or sun themselves on the thick-cushioned Balinese Dream Beds, which can also be reserved at night for sleeping under the stars.

**Food:** There is a wide choice of cuisines offered from around the globe and all meals are freshly cooked a-la-minute. All dining is a la carte but there is a daily continental breakfast buffet if you choose to help yourself. Quality ingredients like lobster tails and caviar are offered. Based on the weather, all meals are taken in either the indoor Dining Salon or outdoor Topside Restaurant. Room service is also available, delivered to your cabin or lounge chair.

There is no room service, but self-service tea and coffee making facilities and biscuits are available 24/7. You can also ask the crew to make you a specialty coffee at the bar for no extra charge. While cruising the Kimberley, one of the signature dishes for both lunch and dinner is barramundi. On any given day, it may have been caught by the chef or one of your fellow passengers on a fishing excursion. A firm favourite among passengers is a heli-picnic which combines a scenic helicopter flight to the top of a Kimberley waterfall and an Aussie barbecue featuring freshly caught reef fish, local shrimp, squid, pearl meat, lamb chops and beef sausages. The heli-picnic comes with an extra charge.

## THE UNCruise EXPERIENCE

The name says it. These intimate 22-88 passenger ships – tiny luxury yachts, small expedition ships, and a coastal steamer — are nothing like their big-ship competitors. You will see each destination as it actually is, exploring remote coves, bays and fjords that only small ships can reach.

## UNCruise ADVENTURE CRUISES ARE BEST FOR:

Travellers looking for unique destinations and up close wilderness adventures.

## ATMOSPHERE AND EXPERIENCE ONBOARD:

UnCruise Adventure ships offer a mix of casual cruising and boutique yachting. Because the focus is on nature, there's an unplugged policy — which means no Internet or cellular access on board.

Most off-ship excursions are included in the cruise fare and encompass such things as hikes, skiff tours, and visiting natural attractions. But there's also time to borrow a kayak or snorkel gear, improve your skills on a standup paddleboard, or sit in the hot tub.

Itineraries spend optimum time in nature areas and captains have flexibility to divert to, say, follow a pod of whales or decide to anchor in secluded places at night so that guests awaken to spectacular views.

## CLIENTELE

If you're active, a nature lover, age 45-plus, then you will love UnCruise small ship experiences. Nature-loving kids will also enjoy these adventure filled cruises.

## AT A GLANCE:

**Ship size:** Small

**Class:** Adventure/Casual

**Highlights:** Picture off the beaten track and up close and personal ecotourism combined with the personal service of an upscale cruise.

**Food:** The dining experience is casual so you are free to join new friends. Onboard chefs handcraft every meal, highlighting flavours of the region. Close attention is given to how food options meld with the activities of the day such as serving warm soup after exploring near glaciers and cool ceviche as a refreshing palate-pleaser in tropical climates.
